## Part Time or Full Time Aesthetic Registered Nurse

- Gold Coast and Brisbane
- Experienced in IV Vitamin Therapies and/or laser rejuvenation an advantage

### The Role

We are looking for a part-time RN to work 2-3 days per week delivering IV and IM vitamin therapies and would build the role to include laser and rejuvenation treatments for the right person.

You will be responsible for client consultation and education as well as administering the infusions, follow-up bookings, and management of your workflow.

You must have excellent communication and customer service skills, be a great team player and be organised and methodical.

We are offering two days a week initially, with the opportunity to increase as your client base grows and if you have a current laser rejuvenation license or significant experience in cosmetic injectables then there will also be an opportunity to develop those areas too.

### The Successful Applicant

- \* You must be a Registered Nurse with current CPR qualifications
- \* Must have excellent cannulation skills
- \* Possess strong interpersonal skills
- \* Have exceptional customer service skills
- \* Enjoy working autonomously
- \* Own your own car

### The Rewards

- \* Work with a fun and high performing team
- \* Join a business that has been thriving on the Gold Coast for over 25 years and has an extensive database of clients and first class reputation
- \* Profit related bonuses
- \* Generous product allowances and treatment discounts
- \* We are offering casual hours initially moving to permanent part time following a probationary period
